About the HLA

The HLA was established in 2001 for the purpose of promoting and preserving the elegance, beauty, and art of sidesaddle riding.

The art of aside riding has been carried down through the ages by countless generations of women. Now in modern times, we carry the art on with modern saddles and safety attire. Look for us at equine events throughout Indiana.

Photo Request

If you would like to include a photo of yourself riding sidesaddle, please do so! We'll scan it and post a copy of it on our website on the members page. Please include your first and last name as well as your horse's name, age, and breed. If you already have a digital picture, you can email it with the above information to the HLA webmistress at: girosgirl@frontier.com
